The Manufacturer provides a one-year limited warranty against manufacturing defects for the products in the EarthWerks Collection. The Manufacturer warrants that these products, when sold as Regular or First Quality flooring, will be free from manufacturing defects for a period of one year from the date of original purchase. If such materials are found to be defective, The Manufacturer will supply new materials of the same or similar style, size, color, grade and gauge for repair or replacement of the defective area. If a qualified installation company installed such material, The Manufacturer will pay reasonable labor cost for replacement. Consumer needs to be able to furnish to The Manufacturer a copy of the original qualified installation company's invoice showing that the product was professionally installed. Furthermore, The Manufacturer reserves the right to inspect any claim, request photographs and/or samples prior to approving such claim. If such material is found to be defective but was not installed by a qualified installation company, The Manufacturer will supply material only, but no labor cost.
