VILLA COMO

The Encore Collection

May it be beautiful below me.

Northern Italy's Lake Como is a quietly indulgent resort destination. Its scenic shores beckon long, relaxing stays, and its picturesque landscapes are as perfect as if vacationers and artists dreamed them into being.

American Florim's Villa Como is inspired by the style of vacation homes dotting the shores of Lake Como.

It combines clean lines, sophisticated colors and clever details for resort-like quality. The durability of porcelain is fit for contemporary interiors, quaint exteriors and any place in between.
